NEW TECHNOLOGY

Did you know Amico Source carries a dry vane vacuum pump that has a 20,000 hour vane life? This high performance, 100% oil-less vacuum pump is the closest thing to a maintenance-free pump.

Features and Benefits

- 20,000 Hour Vane Life
- Exceptionally quiet
- Can be used for applications requiring clean discharge air
- Offered in single and three-phase
- Currently available from 0.5 hp up to 2 hp

*Note: Larger capacities will be released shortly

PRODUCT KNOWLEDGE

Lubricated Rotary Vane

These vacuum pumps are single stage, air-cooled, and direct driven. The oil-recirculating design is one of the simplest and most reliable vacuum pumps available on the world market.

Features

- Compact, simple design for easy installation and low maintenance
- Air-cooled, requiring no water
- Direct drive, eliminating belts and gears to loosen or wear
- Oil mist eliminator for oil-free exhaust
- Quiet operation
