Hummingbird Power System Driver

Driver Installation

Important, Please Read Carefully

Thank you for your purchase with Amico Accessories Inc.

Our software installation attempts to install drivers automatically, however, some systems need the driver to be set manually. Please see instructions to manually set the PC with the right drivers for our power system.

Host PC Software

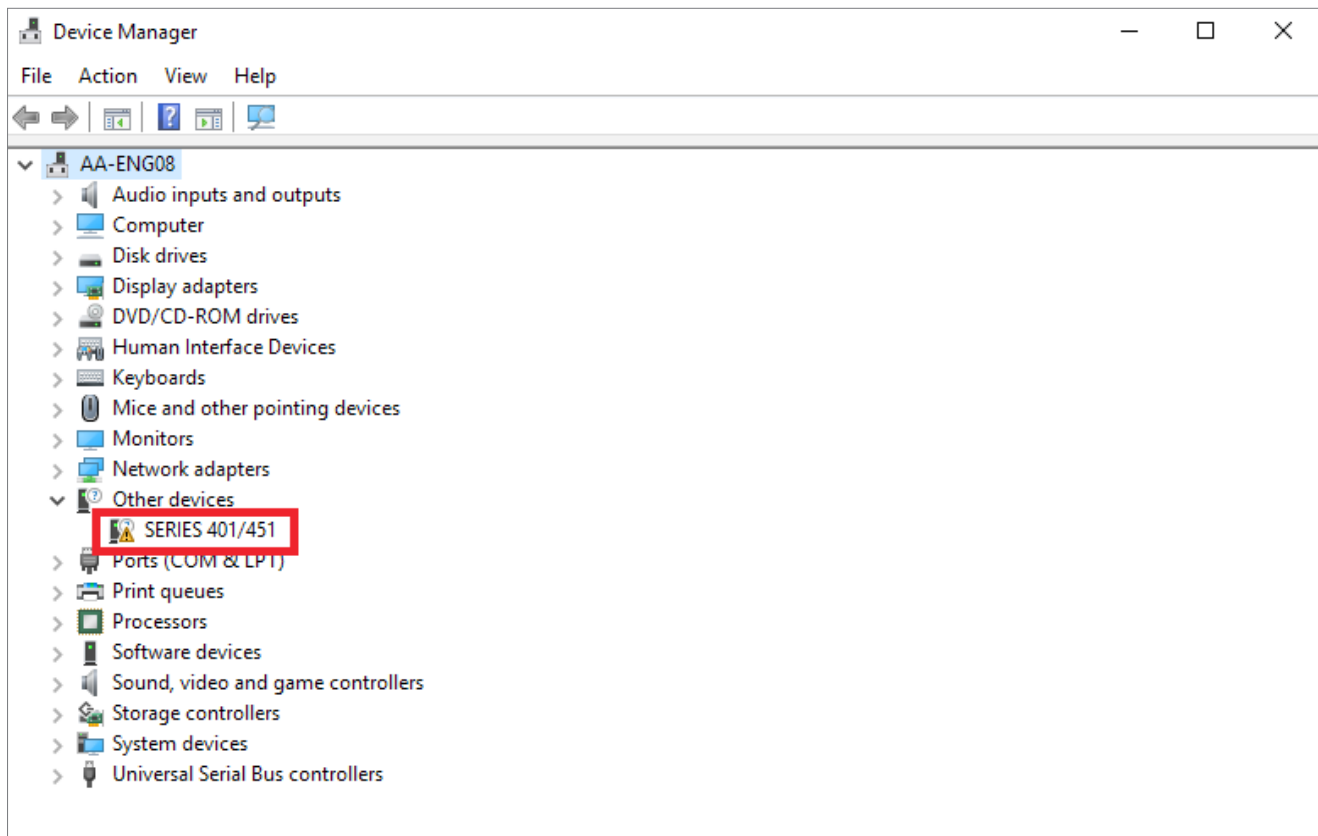

The licensed Host software (Graphics User Interface –GUI) is provided by Amico Accessories Inc. for customer use. The PC software is easy to install from the provided software package. The installation file will prompt the user through typical Windows setup instructions.

It is critical that the appropriate driver is loaded for the product. If the driver is not loaded appropriately the software will not function. The driver is part of the software provided and can be found in the programs folder. Typically, the location is C:\Program Files (x86)\AM Series 401.

If for any reason the software is required to be reloaded, it is strongly advised that all software is fully removed from the system, inclusive of drivers, and all components are reloaded.

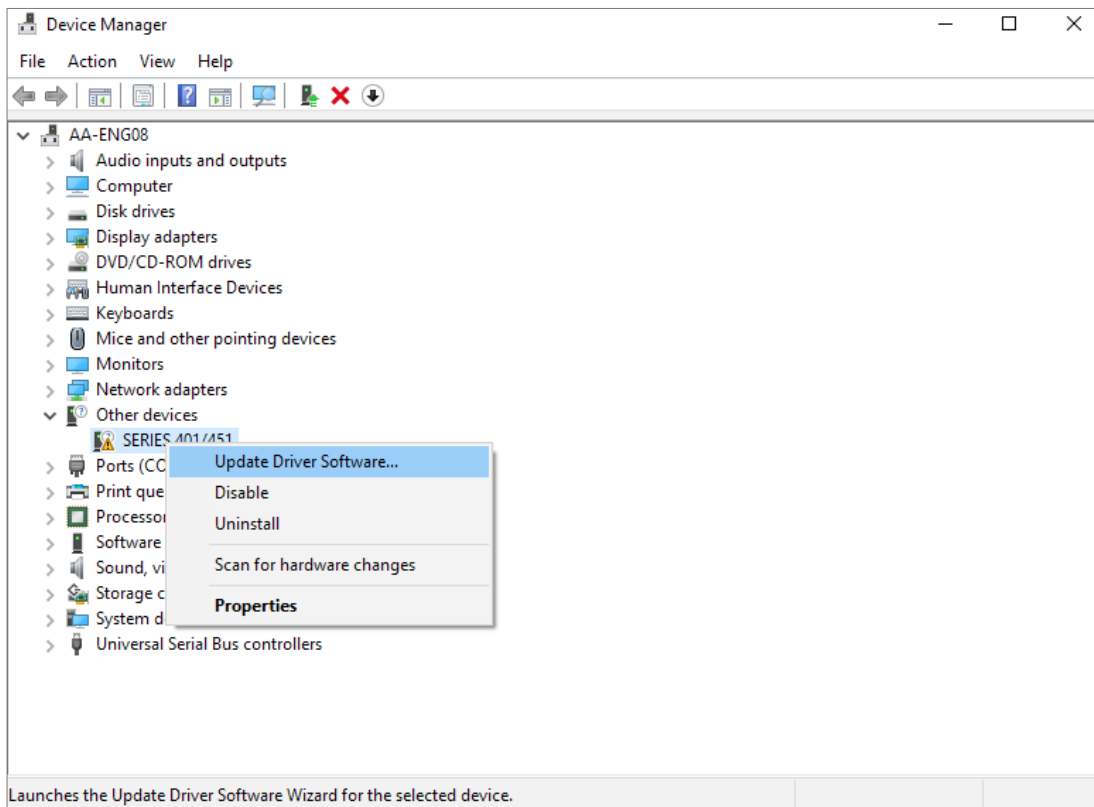

Setting the Right Driver, Step by Step:

1. In windows, open device manager, see SERIES 401/451 issue

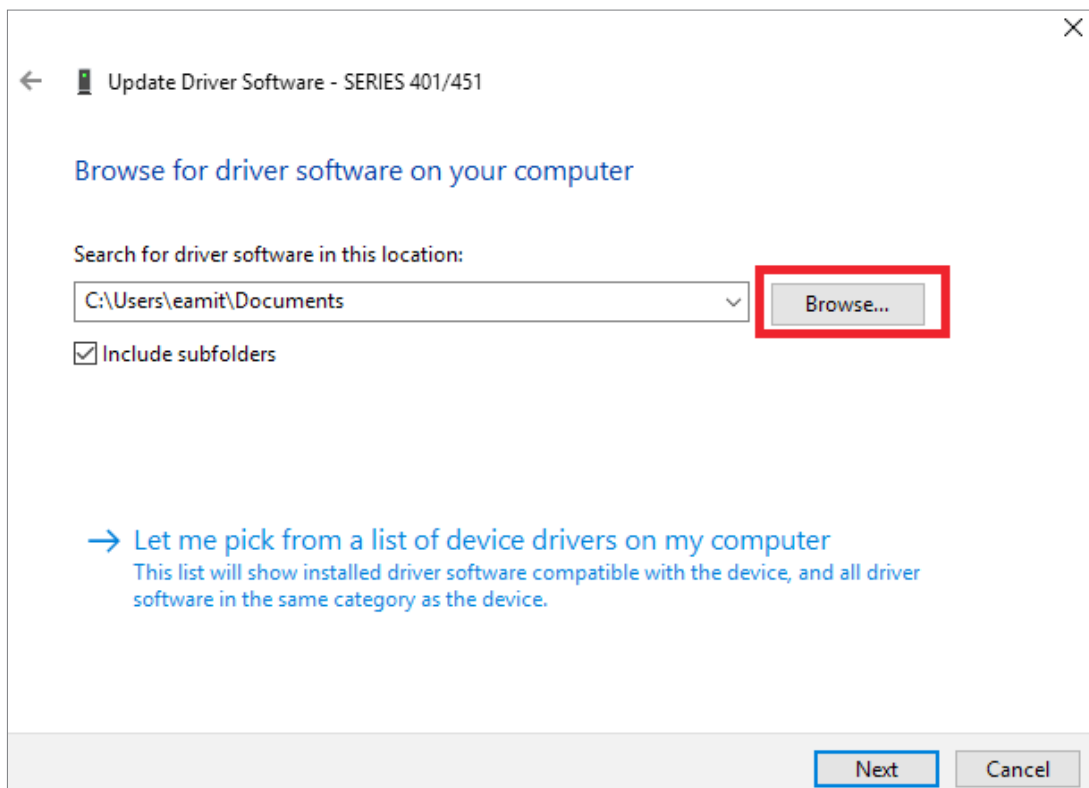

Driver Installation

2. Right click and select Update Driver

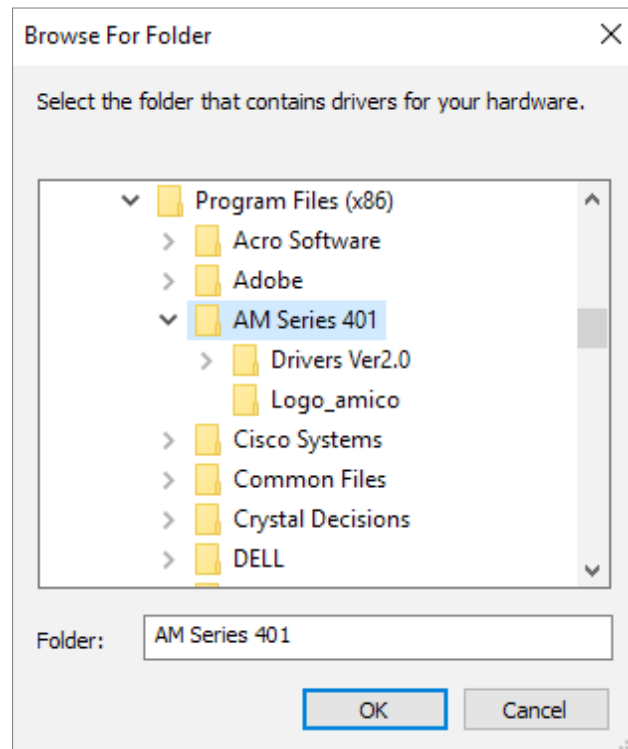

3. Click Browse

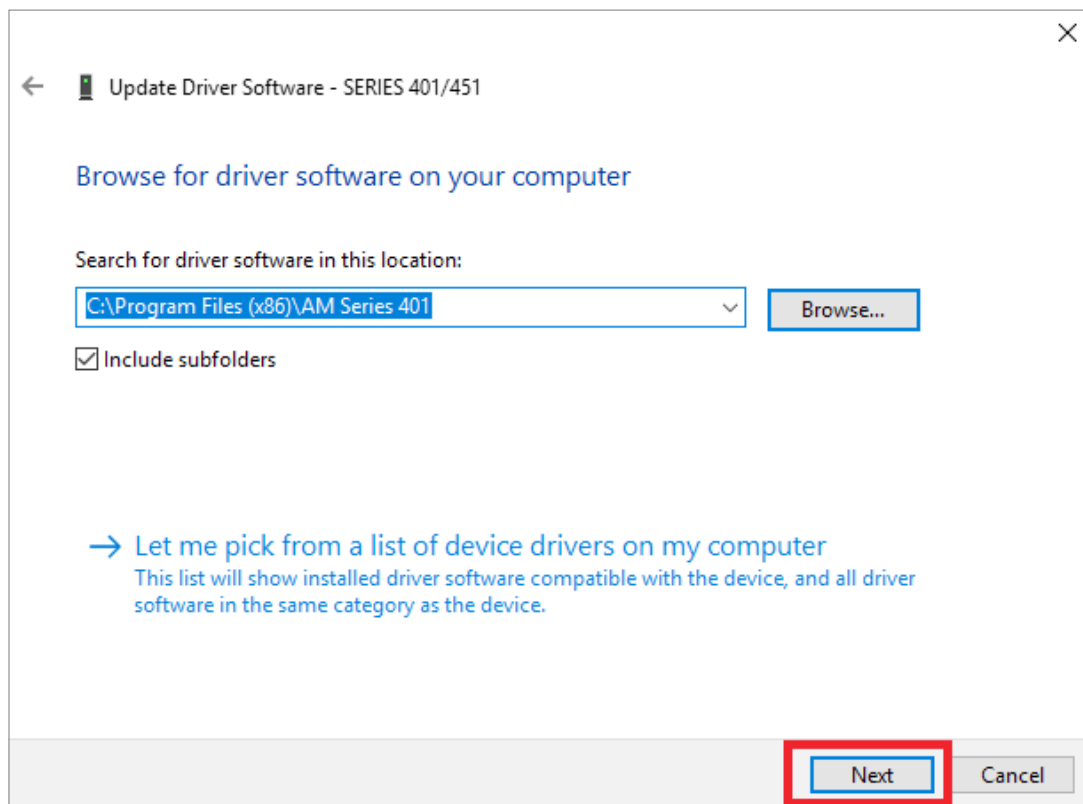

Driver Installation

4. Find the program folder (typically C:\Program Files (x86)\AM Series 401) and click OK

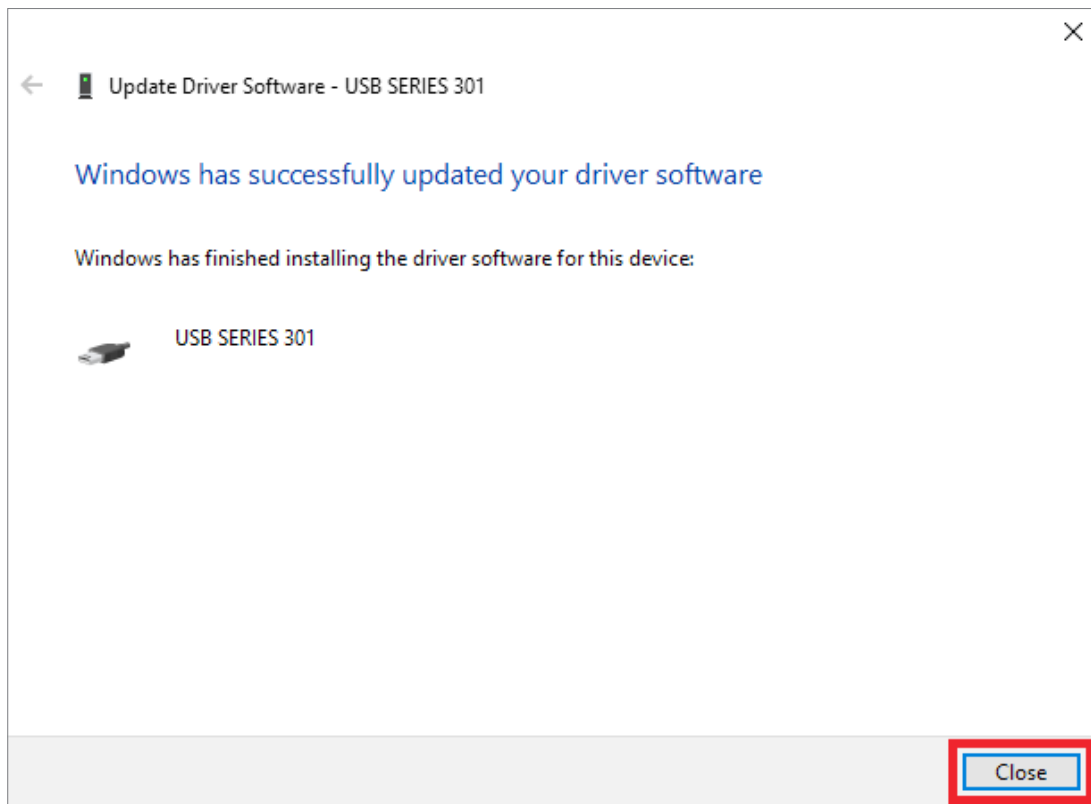

5. Click Next
