

Warranty Policy - Medical Air and Vacuum Systems

Amico Source Corporation warrants the equipment it manufactures to be free of defects in materials or workmanship when installed and operated in accordance with instructions. The Warranty Periods commence upon shipment or at start up, whichever period terminates earlier.

Standard Warranty Periods

	From Shipment	From Start-up
Medical Air Systems	30 months	24 months
Desiccant Air Dryer Systems	30 months	24 months
Lubricated Vane Vacuum Systems	30 months	24 months
Oil-less Vane Vacuum Systems	30 months	24 months
Liquid Ring Vacuum Systems	30 months	24 months
Claw (Standard and O2 Assured) Vacuum Systems	30 months	24 months

Conditions of Standard Warranty Periods – Complete Systems

30 months from the date of shipment or 24 months from start up, whichever comes first, on replacement of defective parts. Labor and travel are covered for 18 months from the date of shipment or 12 months from start up, whichever comes first. Shipping costs (ground only) are covered for 12 months from date of shipment.

Conditions of Standard Warranty Periods – Parts Orders

12 months from the date of shipment on replacement of defective parts only.

This warranty covers all necessary parts and services as defined in the Conditions of Standard Warranty Periods, required for correction of the defect whether by any or all of repair, replacement, or credit, which election shall be made by Amico Source Corporation at its sole discretion, and which are purchaser's only remedies for breach of warranty.

This warranty requires the owner to ensure that the equipment is:

- Installed in accordance with installation and maintenance manuals provided with the product
- Started up or placed in service by an authorized representative of Amico Source Corporation, which includes the completion and forwarding to Amico Source Corporation of a Start-up and Warranty Registration Form; downloadable from the following location: <http://www.amico.com/warranties>
- Certified in accordance with all applicable local standards, by a properly qualified certification agency
- Maintained in strict accordance with Operation and Maintenance Instructions provided with the product

Effective January 1st, 2021

Warranty Policy - Medical Air and Vacuum Systems

Warranty claims will be honoured only after defective parts are evaluated by Amico Source Corporation and only when the examination discloses to Amico Source Corporation's reasonable satisfaction that the equipment has not been damaged in shipment or improperly installed, operated outside of any published parameters (including but not limited to temperature, pressure, or ventilation), improperly or inadequately maintained, field modified in any way, improperly repaired, or in any other way improperly applied or used.

All claims against this warranty require prompt notification, within the warranty period, of any seeming defect. Failure to promptly notify Amico Source Corporation of the seeming defect will invalidate all warranties.

Amico Source Corporation is not liable for delay, damage or defect caused by shipping, acts of God, fire, war, labor difficulties, action of government, or other cause beyond the reasonable control of Amico Source Corporation. If there is a material delay in delivery for any reason, purchaser's only remedy is to cancel the purchase order.

This warranty is given in lieu of all other warranties, expressed or implied, including implied warranties of fitness for a particular purpose and merchantability. In no event is Amico Source Corporation liable for damages in excess of the value of the defective product, nor is Amico Source Corporation liable for any indirect, special or consequential damages, loss of profit of any kind, or for loss of use of the products, even if Amico Source Corporation is aware or should be aware of the possibility of the same.

Effective January 1st, 2021
