Equipment Rail & Room Organization
Mounts and Accessories

Benefits:

• Enables caregivers to quickly and easily move or take down equipment
• When combined with a Rail system, helps facilities realize significant savings on equipment changeovers (ask sales rep for cost-benefit analysis)
• Enables tool-less room adaptation for changes in acuity and easy removal for sterilization
• Reduces clutter and places key supplies and equipment close at hand, enhancing productivity and patient experience
• Supports PAR-level inventory protocols by increasing optics on supply levels
